Removes bacteria, viruses, clay, asbestos and humic substances

-  Dirt
-  Sand Silt
-  Rust
-  Bakteria
-  Viruses
-  Chlorine
-  Chemical
-  Humic Substances
-  Mineral
-  Water

4 in 1 Filter

UF Membrane Filter

FILTER LIFE CYCLE

Name	Usage Period
4 in 1 Filter (F410)	≈18 Months
UF Membrane Filter	

Please replace the filters according to the stipulated period. Kindly contact authorized dealers, agents and sellers for filter changing services. Failure to replace the filters on a regular basis may result in a reduction of the water quality of the product.

The filter usage period is not a filter quality assurance period, but the expected filter life on normal usage. Filter usage period may be shortened due to poor water quality from areas water supply or more water consumption.
